Upload Photo

Browse the photo and then click on Save Button
The photograph will be updated on the system after 24 hours

A screenshot of a web application interface showing a photo upload modal. The modal is a white rectangle with a grey border and a close button (an 'X' in a circle) in the top right corner. Inside the modal, there is a 'Browse' button on the left, followed by a text input field. Below the input field are two buttons: 'Save' (highlighted in blue) and 'Clear' (grey). The background of the application is dark and partially visible, showing text like 'Enrollment No. - 2136', 'Grade - G11-A-ENGLISH', and 'News'.

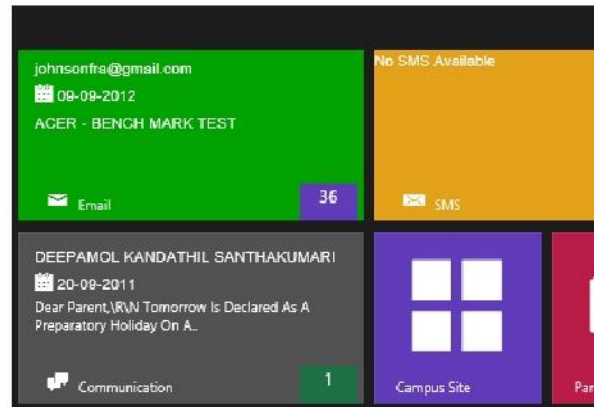

Following formats are supported:

JPG

Change Password

The image shows a screenshot of a web form titled "CHANGE PASSWORD". The form has a white background and a grey border. At the top left, the title "CHANGE PASSWORD" is written in blue. Below the title, there are two input fields. The first field is labeled "NEW PASSWORD" in blue text and contains the placeholder text "New Password". The second field is labeled "CONFIRM PASSWORD" in blue text and contains the placeholder text "Confirm Password". Below the input fields, there are two buttons: a blue "Submit" button and a grey "Reset" button. A red circle with a black 'X' is drawn over the top right corner of the form, indicating a close or error action. The form is set against a dark background with some faint text visible, such as "ment No. - 2137", "e - TG", "War", "Scho", "0-03-", "choo", and "New".

Following things must be remembered at the time of changing the password

Password must contain at least 8 characters

At least one special character

At least one Numeric character

At least one small letter

At least one Capital letter
